WALGREENS LIDOCAINE PAIN RELIEVING PATCH ASSORTED- lidocaine
Walgreen Co.

Walgreens Assorted Pain Relieving Lidocaine Patch

Active ingredient

Lidocaine 4%

Purpose

Topical anesthetic

Use

For the temporary relief of pain.

Warnings

For external use only

Do not use

- more than 1 patch on your body at a time
- on puncture wounds
- for more than one week without consulting a doctor

When using this product

- Use only as directed
- Read and follow all directions and warnings on this carton
- Rare cases of serious burns have been reported with products of this type
- Do not apply to wounds or damaged, broken or irritated skin
- Do not allow contact with the eyes and mucous membrane
- Do not bandage tightly or apply local heat (such as heating pads) to the area of uses
- Do not use at same time as other topical analgesics
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug products that can produce serious adverse effects if a child or pet chews or ingests this patch
- **NOTE:** patches may not adhere as well to all individuals, skin types, or certain parts of the body.

Stop use and ask a doctor if

- condition worsens
- redness is present
- irritation develops
- symptoms persis for more than 7 days or clear up and occur again within a few days
- you experience signs of skin injury, such as pain swelling, or blistering where the

product was applied

If pregnant or breast-feeding,

ask a physician before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- **Adults and children 12 years and older:** clean and dry affected area
- remove backing from patch by firmly grasping both ends and gently pulling until backing separates in middle
- carefully remove smaller portion of backing from patch and apply exposed portion of patch to affected area
- once exposed portion of patch is positioned, carefully remove remaining backing completely to apply patch to affected area
- once applied, press firmly and rub on all sides and center of patch to help adhesive adhere to skin
- do not remove patch and reapply, this will result in the patch not sticking
- avoid strenuous exercise while wearing patch, this will result in patch not sticking
- do not use more than one patch in an 8 hour period
- maximum 3 patches per day.
- **Children under 12 years of age:** ask a doctor.
